

July 1st, 2022

Dear villagers, team members, family members, and friends;

This brief letter will serve as an update to my June 29th address to you. Employee testing has identified two additional team members having positive results returned for COVID-19. We wish these individuals well in their recoveries.

Update quarantine information is below:

Atrium 1 – Orchard (select villagers): July 8th which is unchanged

Atrium Second Floor – Heron Pointe (select villagers): July 10th

Symphony Place – Harmony House (select villagers): July 10th

Since testing is occurring again today, you may be notified of any additional positive results over the weekend.

Wishing you a safe and happy Independence Day!

Tim Neuman, NHA
