

July 7th, 2022

Dear villagers, team members, family members, and friends;

This week, all Brewster Village team members and consenting villagers were tested for COVID-19. Yesterday we learned that one team member had a positive test returned. All villager results were negative. Since positive cases continue to trickle in, we are continuing surveillance testing at a higher level than what is required. All team members, regardless of vaccination status, will be tested again early next week. Villagers from Symphony Place will be tested again as well.

The dates the affected areas are under quarantine through is below:

Atrium 1 – Orchard (select villagers): July 8th (unchanged)

Atrium Second Floor – Heron Pointe (select villagers): July 10th (unchanged)

Symphony Place – Harmony House (select villagers): July 10th (unchanged)

Symphony Place – The Gallery & Broadway (select villagers): July 15th

Since testing is occurring again today and tomorrow, you may be notified of any additional positive results over the weekend.

Sincerely,

Tim Neuman, NHA
